Dear Customer

Re: A46 Teddington Hands Roundabout to Beckford Resurfacing

I'm writing to inform you of some upcoming maintenance work on the A46. This work will be carried out on our behalf by our contractor, Kier.

What we're doing and why? What are the benefits?

We'll be carrying out resurfacing work along the A46 between Teddington Hands roundabout and Beckford. This will include renewing the kerbs and replacing the road markings and road studs. Our work has been identified following the deterioration of the carriageway. The completed work will provide a smoother surface and safer road, including clearer road markings.

When will this work take place?

We'll work from **9 May 2022** to **16 June 2022**, **Monday to Friday**. Our work will be carried out overnight when traffic volumes are lower between **9pm** and **6am**.

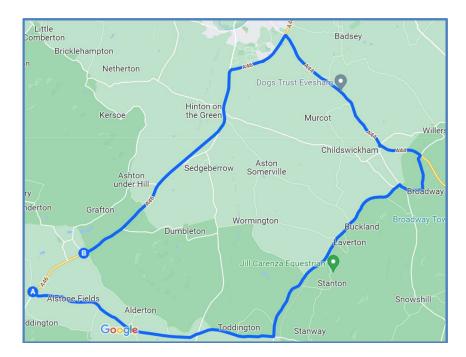

To carry out our work safely, there will be a total closure of the A46 between Teddington Hands roundabout and A46/Back Lane junction.

There will also be two full weekend closures at this location on the weekend of 13 May 2022 and 20 May 2022, from 9pm on Friday to 6am on Monday.

What does this mean for you

During closures a fully signed diversion route will be in place. Please see reverse of this page for further details. The southbound diversion is the northbound diversion in reverse.

Diversion Route

Emergency vehicles will have access throughout. Access will also be maintained to frontages throughout our work.

We'll make every effort to carefully manage noise and additional lighting whilst we work at this location. If you would like to be kept up to date about future work along the A46, please subscribe to our mailing list by emailing noreplyA46WMids@highwaysengland.co.uk. If you've previously subscribed, no further action required.

Our planned road work may be subject to change due to weather conditions or unforeseen circumstance
