- How to contact SNT

Your Safer Neighbourhood Team has one Safer Neighbourhood Officer and two Police Community Support Officers. The two Police Community Support Officers currently support and work between both the Pershore rural areas and Pershore town. Our team does not work 24 hours and as such the team mailbox is not monitored 24/7. Between a mixture of shifts the team work between 08:00 and 22:00.

How to contact SNT

Pershore Rural has a direct email address which all members of the team have access to, pershorerural@westmercia.police.uk. Please do email us with queries and non-crime incidents. These types of incidents including: nuisance vehicles, suspicious circumstances, anti-social behaviour (if past the incident), nuisance noise, neighbour disputes and fly tipping. These incidents whereby they do not require an immediate response or crime reference can be directly emailed to us and we aim to get back to you as soon as possible.

If your matter is a non-urgent crime such as reporting criminal damage after the event, vehicle crime and burglaries please call 101 or alternatively you can report these online at: [Home | West Mercia Police](#).

If you are in immediate danger and need to contact us regarding an incident which is happening at that time and you need urgent assistance please call us on 999.

We also try and regularly update our areas on ongoing issues through Neighbourhood Matters and our Facebook and Twitter pages: PershoreCops.
